

TAFFY DIP

Here's another super easy, super yummy recipe! Serve this dip with Granny Smith apples or any tart apple that you like. The dip is sweet, so you'll want to use a tart apple.

COMBINE with ELECTRIC MIXER:

- 8 oz. Cream Cheese
- 3/4 - cup Packed Brown Sugar
- 1/2 - Cup Chopped Roasted Peanuts
- 1 - Tsp. Vanilla Extract

TIPS:

- Use Whipped Cream Cheese for easier mixing.
- Lite Cream Cheese works just fine.
- Use light or dark Brown Sugar. It doesn't really matter!

Have Fun! - Trish
